Evaluation of Geographic Reporting from the Budapest Legation

REFERENCE: St/I/RR Notice 60-36 dated 20 September 1960

1. The attached is our response to above-referenced notice. The Europe Branch of the Geography Division is the principal user of the geographic reporting from the Budapest Legation and its evaluation is valid for the Geographic Research Area.

2. Paragraph 4 of our evaluation deals with British Press Surveys and Reports on the Provincial Press as these items are received through the Legation in Budapest.
